MEETING PACKAGES

Comfort, connectivity, and choice are the hallmark concepts at the Conference & Education Center at VC's Emerging Technology Complex. As such, we've developed meeting packages that provide you with options and pricing to allow you to customize and budget with confidence. A meeting package is designed to provide the best value for our clients need for a worry-free, productive experience. It includes the facility, food and beverage, technology, and our quality conference services with the support from our professional staff in one price.

IACC

Exceptional meetings. Powerful connections.

The Conference & Education Center at Victoria College's Emerging Technology Complex offers meeting facilities certified by the International Association of Conference Centres (IACC). IACC is the only global professional association which represents small- to medium-sized venues focused on meetings, training courses, and conferences. All members conform to a comprehensive global set of criteria and standards.
